PLANNING GUIDANCE DURING THE COVID-19 LOCKDOWN

During the COVID-19 pandemic the Council will continue to publish details of the planning applications and planning decisions it receives and would encourage residents and applicants to comment on them.

Please be aware the Parish Council is working hard with Cornwall Council to keep the planning service operating effectively in the face of unprecedented challenges, thank you for your understanding.

Details of planning applications received with the response date are on the COVID-19 Planning page of the Parish Council website www.poundstock-pc.gov.uk

To find out more about a planning application you can use the online planning register to search for, view and comment on current planning applications and supporting plans and documents on [Cornwall Council's Online Planning Portal](#)

If you would like to make a comment on any planning applications in the parish you can go direct to Cornwall Council's Online Planning Portal or by emailing planning@cornwall.gov.uk

If you would prefer to speak to your parish councillor contact details are on the website or by emailing clerk@poundstock-pc.gov.uk

If you prefer you can contact your Cornwall Councillor Nicky Chopak by emailing nicky.chopak@cornwallcouncillors.org.uk

Information for members of the Public: Due to the restrictions placed on the Council as a result of the pandemic Coronavirus, any response represents the opinion of members of Poundstock Parish Council identified through a consultation process, but does not constitute a formal consultee response because the outcome was not reached at a physical meeting at which the public could be present and where Councillors can legally vote.

Members of the public can submit comments on live planning applications as normal.
