A proportion of homes on holiday home sites could be given full residential permission for young/low income local people for sale or long term rent. All new housing should have roofs with suitable aspects for solar panels and be fitted with them. Ideally an economic feed-in-tariff for owners or landlords wo install them.	11/8/2022 12:18 PM

Prevent further development or change of use from agricultural use, along Vicarage lane from the A39 (Bangors crossroad) down to Poundstock church Land between Widemouth Bay and Higher Widemouth. Land between settlements should be protected so one settlement does not merge into another. Dispersed settlements are a key characteristic of this rural parish. Areas of Outstanding Natural Beauty and a 2km buffer zone should be protected. Coastline areas without AONB status such as Widemouth Bay.	9/16/2022 9:01 PM

71	Bangors Green had the last development so others should take their turn	8/15/2022 8:17 PM
72	It is with great dismay that I note the continuing trend towards commercialisation/industrialisation around the Parish. We are now faced with a serious battle to defeat the Crematorium project, something which common sense alone should have closed down. Additionally we are faced with the range of new building at Black Rock and now attempts to relocate/expand industrial waste disposal just above the upper Widemouth turning onto the A39. Whilst increasing building along the coastline is objectionable and detracting from the general ambience of the bay area, development along and close to the A39 is very troubling. Once precedent has been established all manner of development is given encouragement requiring us to stongly counter existing and future moves should we wish to preserve the special nature of our environment. Recent reaction from Cornwall Council and their agents clearly indicates that they cannot be relied upon to show good sense and impartiality, so it's up to us now!	8/15/2022 5:37 PM

9	WE SHOULD HAVE A PARISH HALL	9/16/2022 10:36 PM
10	The parish needs a parish hall. The Methodist hall is the first option as it is a building that can be used immediately. Second option rebuild the old parish hall on the present site OR The Methodist hall is an option if the Methodist Circuit wish to sell to the parish and it is not sold at auction on the 18 October 2022.	9/16/2022 9:01 PM
11	Poundstock does not need a crematorium.	9/15/2022 10:53 PM
12	Nothing further	9/15/2022 8:29 PM
13	I am against the crematorium development and have objected. I think the speed limit along the a39 to manor road should be reduced to 30. A public footpath along the road or across fields would be most welcome.	9/11/2022 10:59 AM
14	no	9/10/2022 10:27 PM
15	No crematorium at Poundstock	9/9/2022 4:20 PM
16	Get one in place!	9/5/2022 10:57 PM
17	-	9/1/2022 4:35 PM
18	Why wasn't the survey included in the letter to give the opportunity to complete it in paper form. Consideration should have been given to thoughts on the Old Parish Hall and the land on which it sits. Use and land are 2 separate matters. Is there a need for a Parish Hall if so where and would could happen to the land of the old Parish Hall if not rebuilt there in some form. Could the land have a different use. Why did the Parish Council not make more effort to buy Bangors Methodist Church Hall. Consideration should have been given to thoughts on the future of the Widemouth Toilets. They need to be improved and chargeable to those that use them rather than at great cost to the Parish. How can we have an input to these issues. Over development of small homes or plots is ruining the Parish. Tourism may bring financial gain to businesses but at a cost to the established residents	8/31/2022 8:27 AM
19	Preserve Aonb's and sssi's is paramount. Create more of these.	8/30/2022 7:34 PM
20	Horrendous development for profit seemingly regardless of preservation of natural beauty and inadequate infrastructure to support development.	8/30/2022 1:37 PM
21	Please stop destroying our Parish with Huge new builds and second homes	8/28/2022 6:55 PM

## Poundstock Parish Neighbourhood Development Plan - Questionnaire 2022

23	Stop builders acquiring properties/land to build houses not in keeping with environment, replacing since properties with land with multi housing development; with the sole purpose of making money without caring about the environment	8/25/2022 11:23 AM
24	More control of land change use such as the proposed crematorium	8/24/2022 2:17 PM
25	N/a	8/23/2022 2:01 PM
26	Affordable housing is not affordable to first time buyers here. Affordable housing that was built in Bude (2 bedroom properties) were all block purchased by wealthy buyers who use the homes to rent out - so they never were used for the purpose that they had originally been built for.	8/22/2022 8:50 PM
27	Reject the proposed crematorium	8/22/2022 12:12 PM
28	Footpath in Leverlake Road	8/21/2022 2:50 PM
29	Ensure resources/infrastructures agreed within planning permissions are put in place before new homes are signed off as completed.	8/21/2022 2:08 PM
30	Desperately need affordable housing for local first time buyers, not rental.	8/21/2022 11:11 AM
31	The large of overdevelopment of holiday camps	8/21/2022 11:07 AM
32	Nothing	8/21/2022 9:11 AM
33	Buy the chapel at Bangors as a village hall/amenity	8/20/2022 10:15 AM
34	Since we live in a site with an ageing community which has already seen two deaths, a close by crematorium would be very useful.	8/19/2022 6:10 PM
35	Not that has been mentioned above	8/19/2022 3:14 PM
36	The installation of a Crematorium would be very detrimental to Poundstock as a holiday destination, and other factors such as air polution would damage the local reputation for clean air.	8/18/2022 5:43 PM
37	No	8/18/2022 10:02 AM
38	Speed control along Marine Drive needs more signs. Between the Bay View there needs to be several large flashing 30mph Slow Down signs as far as the 40 mph sign beyond Black Rock Cafe. Motorists forget they are still in a 30mph area once they get past the Beach House shop and some drivers are frankly dangerous and speeds are ridiculous. The shop could also benefit from either additional traffic calming or even a panda crossing to make it safer to cross the road to use the shop.	8/17/2022 8:54 PM
39	There is absolutely no place for a crematorium within the parish, nor for any similar development that would be equally out of keeping with the nature of the area	8/17/2022 1:37 PM
40	Our roads in and out of Millook are in desperate need of the overhanging tress and hedge rows being maintained, this has not been done in at least 3 years, the council seem to take no responsibility and when contacted say they do not need maintaining at this point, some of the land along the roads must be privately owned and these owners seem to take no responsibility either. The signage regarding the accessibility of the roads NEEDS up grading as vehicles get stuck regularly particularly during busy holiday periods. I know there are only a handful of full time residents in Millook, and this is a huge problem to us regarding accessibility to our properties, especially are there are a few elderly residents and access for them is essential.	8/17/2022 9:19 AM
41	I think the crematorium would be extremely detrimental to the parish, increasing pollution, traffic and replacing greenfield spaces with commercial structures. Especially galling when other brownfield sites lay unused closer to Bude, Stratton and Holsworthy	8/16/2022 8:47 PM
42	I think it would be useful and informative to have the agreed NDP used to develop an urban development study to give a clear steer on our preferred development strategy for the parish. His could be an annexe to the NDP and all development proposals would have to demonstrate compliance when making a planning submission	8/16/2022 7:02 PM
43	We did a parish plan a number of years ago, complete waste of money nothing was done on it, please do waste more money on thus if u aren't going to act on it, parish Hall is a priority and remind widemouth residents they are a part of poundstock not a separate entity,	8/16/2022 7:00 PM
44	We live in a beautiful area that should be respected and maintained for future generations. The current building programme throughout the parish has a blatant disregard for local residents. The buildings do not tone in with the current housing stock and are more suitable to areas such as London Docklands.	8/16/2022 3:26 PM

Poundstock Parish Neighbourhood Development Plan - Questionnaire 2022

45	STOP THE CREMATORIUM. MORE DENTISTS	8/16/2022 2:42 PM
46	None	8/16/2022 1:55 PM
47	Yes please re.acrivate the order that was placed to add bridleway in poundstock it's been there and used since 1930s all of a sudden it apparently dosent exsist There is still a green bridleway sign in place	8/16/2022 12:28 PM
48	Stop the Crematorium!	8/16/2022 12:26 PM
49	The new housing that satisfies the current requirement for new homes is very specific to the retirement/older generation. There seems to be little or nothing for young local people.	8/16/2022 10:51 AM
50	If anything can be done about the noise and speed of the performance motorbikes and cars that use the A39 as a race track at all times of the day.	8/16/2022 10:42 AM
51	developers are not contributing to the local infrastructure by circum-navigating the rules. no enforcement of rules by council.	8/16/2022 10:41 AM
52	Too many second homes in the area.	8/15/2022 8:31 PM
53	The Neighbourhood Plan is a great idea but it must not be allowed to be controlled or unduly influenced by Cornwall Council who are repeatedly showing themselves to lack basic sense and integrity. All power to the people!	8/15/2022 5:37 PM
54	No Crematorium.....	8/15/2022 4:15 PM
55	stop coastal development - this must be preserved at all cost for future generations	8/15/2022 4:01 PM
56	Concern that the meadowlands court may become over developed and cramped.	8/15/2022 2:12 PM
57	The concept of sighting a CREMATORIUM in the parish is an outrage. Also developments such as BUTTERCUP FIELDS are ridiculous in that their inhabitants are totally reliant on individual forms of transport - most usually automobiles. This is unsustainable over coming decades.	8/15/2022 1:58 PM
58	No	8/15/2022 12:23 PM
59	I object to the amount of advertising in the parish objecting to the crematorium. For each banner against there should be one for to avoid bias. Recommend removing all of them.	8/15/2022 12:02 PM
60	Increase Council tax for second homes and air bnb. License air band so utility charges can be increase to protect the locals so their utilities are available without restrictions . ie water !!	8/15/2022 11:52 AM
61	Improved internet connection as at times it can drop out.	8/15/2022 11:30 AM
62	Crematorium	8/14/2022 8:12 PM
63	limit air bnb	8/14/2022 5:06 PM
64	local families which need small development to facilitate their families should be encouraged. large developments with no local connections should be discouraged.	8/14/2022 9:30 AM
65	How are the views of under 18's being considered? Young people are the future of the parish and key stakeholders.	8/13/2022 11:10 PM
66	Please please please put in a proper crossing at Widemouth to the beach. The crossing of the road at Widemouth cafe or at lever lake road is an accident waiting to happen. I have a toddler and dogs and I have nearly been in multiple accidents and seen others in close calls too. It is an accident waiting to happen!!	8/13/2022 8:41 PM
67	I am strongly against the building of a Crematorium in the parish. If there is a need, this is not the right place for it	8/13/2022 4:41 PM
68	The most relevant factor in the neighbourhood plan is the proposed crematorium development. There appears to be no local support for this within the parish. There appears to be no need in Cornwall for this development and the catchment area for the development is inappropriate. The access to the proposed development will cause tailbacks on the A39. The development is very close to an ANOB in an area which depends very much for its livelihood from tourism The fact that this site had a proposed development of wind turbines about five years ago makes me think the present proposal is as much for pecuniary gain for the landowner rather than providing any useful service.	8/13/2022 4:14 PM
69	Bangors often gets forgotten. Traffic calming urgently needed. Extra parking outside of houses is urgently required to enhance safety of children playing on the village Green.	8/13/2022 3:42 PM

## Poundstock Parish Neighbourhood Development Plan - Questionnaire 2022

Previous solutions (recently) supplied and CC said there was no money to do this. Crossing the a39 for buses is not safe and consideration should be given to how this can be made safer for the many children who have to cross the road for the school bus. Please do NOT directly quote any of the above.

70	why are people trying to stop the crematorium being built. i think its a good idea and should not cause any problems with the scenery or surrounding area. my only concern is that the entrance / exit from the crem should be on the main road (A39) as with the traffic to and from widemouth will cause delays entering and exiting from the crem.	8/13/2022 3:25 PM
71	Overdevelopment of sites needs to stop! So many people buy properties, pull them down and rebuild something with a much larger footprint, it's becoming insane. Our services can not cope...the water supply and sewage systems struggle in the summer months. The electric supply is often erratic in the winter months due to the 'power station' being inadequate for the current level of need.	8/13/2022 3:10 PM
72	Rebuild a parish hall	8/13/2022 3:07 PM
73	Concerned about proposed plan for crematorium.	8/13/2022 2:24 PM
74	No crematorium please.	8/13/2022 1:47 PM
75	Cornwall planning officers seem to approve everything without consideration of the wishes or opinions of local residents.	8/13/2022 1:32 PM

13	A hall central to the Community	10/14/2022 3:24 PM
14	a small suitable place for small group events and meetings. A large building would be under used and wasteful. People utilise facilities in Bude for larger functions which is more appropriate.	10/13/2022 3:50 PM
15	A facility for Inner city development not a Parish like Poundstock	10/12/2022 8:54 PM
16	A focus for community meetings. A place for clubs and interest groups to meet.	9/20/2022 12:35 AM

19	Community Events to get people together	9/16/2022 9:51 PM
20	Central meeting point for parishioners. A building belonging to parishioners, that the parishioners have a shared interest in. A building run and maintained by parishioners. The Methodist hall at Bangors, if purchased, or the old parish hall on the existing site, if rebuilt, will encompass all these factors. Whatever hall we have, the cooperation and goodwill of the parishioners is vital and this can only be achieved by understanding the needs of the parish and delivering what they want. Parishioner involvement in the project at an early stage is important in order to get volunteers to run the parish hall and develop a desire to make it a successful financial venture.	9/16/2022 9:01 PM

31	good idea	9/6/2022 2:16 PM
32	A community building that can be used for a wide selection of events for all ages. Building can be one large space or split down into smaller rooms for multi uses. Accessible to all & welcoming. Needs to be used & well managed.	9/5/2022 10:57 PM
33	Not suitable for this Parish	9/1/2022 4:35 PM
34	The Parish of Poundstock is lacking a community now so why call it a Community Hall Is there even a need for one. A community hall sounds more suitable for a Town not a small parish such as this. So the idea of a community hall means a Town or City building not suitable for a small Parish such as Poundstock. Who changed the terminology. We have been asked questions about this matter previously so why has this aspect been taken out of this plan and being considered as a Community Hall separately.	8/31/2022 8:27 AM
35	No interest	8/30/2022 7:34 PM

40	A place where the community can meet; let out for functions	8/25/2022 11:23 AM

42	central focus point	8/24/2022 2:17 PM
43	Nothing.	8/24/2022 8:43 AM

46	A meeting place for local groups in the community	8/22/2022 6:32 PM
47	Somewhere where the parishioners can safely meet or rent out and that it is accessible	8/22/2022 12:12 PM

54	A place where the community can meet and hold activities	8/21/2022 9:11 AM
55	Somewhere to hold village gatherings	8/20/2022 10:15 AM
56	Regular social events	8/20/2022 10:05 AM
57	We probably would not use one.	8/19/2022 6:10 PM
58	A place where parishioners can occasionally congregate	8/19/2022 3:14 PM
59	A place for the parishioners can use for either social or individual occasions	8/18/2022 7:07 PM
60	One is necessary as a meeting place, so could the Guild House be used for this purpose, and save a lot of money.	8/18/2022 5:43 PM
61	Would help to maintain community during the out of season after the erosion by excessive numbers of second and holiday homes in the area leaving people isolated	8/18/2022 10:02 AM

64	Place to meet members of our community	8/17/2022 11:20 AM
65	A good community hall gives the opportunity for local groups to gather.	8/17/2022 9:19 AM
66	Somewhere that many different community forming activities can be housed. These can be things such as coffee meetings, book groups, exercise classes, family hubs, community interest groups, elderly support/drop in groups. All of these help create ties and relationships across members of the parish which ultimately encourages a sense of community.	8/16/2022 8:47 PM
67	A meeting point, sports and community facility	8/16/2022 7:02 PM
68	Very useful asset for poundstock designed properly without outlandish ideas	8/16/2022 7:00 PM
69	A place for the community to hold events	8/16/2022 4:40 PM
70	Is it really necessary? It would need to be in the heart of the parish to ensure maximum usage.	8/16/2022 3:26 PM
71	Community Gatherings	8/16/2022 2:42 PM
72	Useful facility	8/16/2022 1:55 PM
73	Everything means brownie scouts dance clubs And activities for local people can happen	8/16/2022 12:28 PM
74	I think every Parish should have one, and it appears our nice well placed little hall has been left to rot and I do not understand why. Surely grants were available?	8/16/2022 12:26 PM
75	it would be great to have somewhere the whole community could use for both meetings and entertainment	8/16/2022 11:15 AM

78	i dont see its relevance anymore	8/16/2022 10:41 AM

86	Nothing	8/15/2022 2:07 PM
87	Yes it is important to have a centre. Tho only one is necessary for such s small population. Ridiculous to have had 3 which we have had up till now.	8/15/2022 1:58 PM
88	A meeting place ,, small functions , craft fairs etc. I	8/15/2022 12:23 PM

91	The opportunity for the community to have a shared space to come together and to host events.	8/15/2022 11:30 AM

93	A meeting place for local people	8/14/2022 8:12 PM

100	A place to hold community functions	8/13/2022 4:41 PM

108	It should be a fantastic venue which brings the community together for both private and public functions, clubs, entertainments, sports activities, skittles etc. It could also bring in revenue and be financially self sufficient if, for example, it had craft workshops which could be let out to local artists or craftspeople, and perhaps a general purpose room for educational use - eg Adult Education classes or U3A meetings, with full internet connectivity. The list of possibilities for such a communal asset is endless.	8/13/2022 1:05 PM
109	Place where activities can happen	8/13/2022 12:54 PM
110	A place where different parts of the community can meet to carry different activities	8/3/2022 11:00 AM
